

AMERICAN STATE BANK & TRUST COMPANY ONLINE BANKING SERVICE AGREEMENT

1. GENERAL DESCRIPTION OF ONLINE BANKING SERVICE AGREEMENT

■ What This Agreement Covers

This Agreement between you and American State Bank & Trust Company governs the use of Online Banking services (“Services”). The Services permit American State Bank & Trust Company customers (consumers, sole proprietors and other business customers) to perform a number of banking functions on accounts linked to the service through the use of a personal computer. Unless indicated otherwise by the context, “linked accounts” refers to all of your accounts with American State Bank & Trust Company that you have linked to Online Banking.

Throughout this Agreement, the words “**Bank,**” “**we,**” “**us,**” or “**our**” mean, collectively, **American State Bank & Trust Company**, its subsidiaries and affiliates (including, without limitation, variations of bank name) and all of their respective successors or assigns. “**You**” or “**your**” means each owner of the Account or Accounts which will be accessible through the Service. Whenever “you” refers to more than one person with respect to any such account or relationship, the obligations and agreements applicable to you under this Agreement shall be deemed to be joint and several.

■ Accepting the Agreement

When you use any of the Services described in this Agreement, or authorize others to use them, you agree to the terms and conditions of the entire Agreement.

■ Relation to Other Agreements

Your use of the Services may also be affected by the other agreements between us for your linked accounts. When you link an account to Online Banking services, you do not change the agreements you already have with us for that account. You should review those agreements for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might impact your use of an account with Online Banking services. If you choose to use our bill payment services, these services will be offered subject to the Bill Payment Terms and Conditions and Privacy Policy which you will be required to agree to if you enroll in that service..

2. ONLINE BANKING SERVICES

To access all of the features and services offered by Online Banking, sign in directly through our website at: **www.asbt.bank**. Within Online Banking, you can also access optional services such as Bill Payment. Please refer to this Agreement, your applicable account agreement or fee schedule for information on fees for optional services.

■ Online Banking for Consumers and Businesses

You may use Online Banking to:

- Transfer funds between your linked accounts on either a one-time or recurring basis, including payments to a linked installment loan or mortgage;
- View current balance information of your linked accounts;
- Review available transactions of your linked accounts;

- Perform self-service account maintenance such as printing copies of paid checks, printing copies of deposit tickets and deposited checks, receive monthly checking or savings statements and changing your Online ID and Online passcode; and
- Send us secure e-mail messages and questions regarding your Online Banking service.

Some of the above services may not be available for certain accounts or customers.

■ **Other Internet and Mobile Services**

In addition to the Online Banking features listed above, Bank customers with eligible deposit accounts may also use the optional Bill Payment service, Mobile Banking service, and Mobile Deposit Capture service (Snap Deposit). A monthly service fee may apply for the use of these services as provided in separate agreements for each service, which control the service described therein.

■ **Additional Services Intended for Businesses**

We offer businesses the ability to create multiple Online IDs, each with the access level you designate. In some circumstances, we also permit you to link the accounts of other businesses you own or control. Call 1-800-805-4649 to set up this feature. Automatic Clearing House (ACH) Origination is also offered to approved businesses. Contact the bank at 1-800-805-4649 for more information on this service.

3. **DESCRIPTION OF ONLINE BANKING SERVICES**

■ **Transfers**

- Processing of Transfer Requests:
 - Transfers can be made in two ways, on a one-time or recurring basis. One-time transfers may be immediate or scheduled for a future date. The recurring transfer feature may be used when a set amount is transferred at regular intervals. For example, a \$100 transfer from a checking to a savings account which occurs every two weeks.
 - One-time immediate transfers can be made from a linked checking, savings, or money market to most linked Bank accounts.
 - Scheduled and recurring transfers can be made from a linked checking, savings, or money market account to a linked checking or savings account.
 - Transfers from a deposit account are immediately reflected in the account's available balance.
- Scheduled and Recurring Transfers:
 - Transfers scheduled for a weekend or a non-bank business day will be reflected in the current day's balance but will not show as posted to the account until the next business day. All other scheduled and recurring transfers will be processed from the funding account at the beginning of the business day requested.
- Transfers to Credit Accounts
 - Funds transferred as a payment to an installment loan or mortgage account before 4:00 p.m. Central time will be credited with the date the payment is submitted. Transfer payments submitted after 4:00 p.m. Central time will be credited with the next business day's date.

- Transfers to Deposit Accounts
 - Funds transferred to a deposit account prior to 4:00 p.m. Central time on a business day will appear with the same day's date in the deposit account transaction history.
 - Transfers to an American State Bank checking account made after 4:00 p.m. Central time as described above on a business day, will be posted on the next business day and may not be considered when paying transactions that night. This process may impact when fees apply to your account. Credits can help you avoid overdrafts, returned items and related fees. However, debits may cause you to incur overdrafts, returned items and related fees. Please note that although these transfers are included in the balance we use to pay transactions at night, they will appear with our next business day's date in the deposit account transaction history.
 - Please note, immediately requested transfers to any deposit account on a Saturday, Sunday or bank holiday, will appear with our next business day's date in the deposit account transaction history.
 - All transfers out of a deposit account (such as checking, savings, money market) are immediately reflected in the account's available balance.

■ **Limitations and Dollar Amounts for Transfers**

Transfers made using Online Banking are subject to the following limitations:

- One-time immediate transfers between linked Bank accounts are limited to the funds available in your account.
- Scheduled and recurring transfers between linked Bank accounts are limited to the funds available in your account.
- All transfer limits are subject to temporary reductions to protect the security of customer accounts and/or the transfer system; and
- At our discretion, we may refuse to process any transaction that exceeds any of the above limits. In this case, you are responsible for making alternate arrangements or rescheduling the payment or transfer within Online Banking.

■ **Transfer Authorization and Sufficient Available Funds**

- You authorize the Bank to withdraw, debit, or charge the necessary funds from your designated account in order to complete all of your designated transfers.
- You agree that you will instruct us to make a withdrawal only when a sufficient balance is or will be available in your accounts at the time of the withdrawal.
- The completion of a transfer is subject to the availability of sufficient funds (including any overdraft protection plans) at the time the transaction is posted. If enough funds to complete the transfer are not available, we may either (i) complete the transaction and overdraw the account or (ii) refuse to complete the transaction. In either case, we may charge a non-sufficient funds (NSF), returned item, overdraft, or similar fee. Please refer to the applicable account agreement and fee schedule for details.
- At our option, we may make a further attempt to process the transfer request.
- The Bank is under no obligation to inform you if it does not complete a transfer because there are not sufficient funds or credit in your account to process the transaction. In this case, you are responsible for making alternate arrangements or rescheduling the payment or transfer within Online Banking.

■ **Canceling Internal Transfers**

Future-dated and recurring transfers can be canceled by accessing the Online Banking service prior to midnight on the bank business day prior to the date the transfer is scheduled to be made. If the transfer's status is "In Process" or "Processed," you can no longer cancel it.

The easiest and most convenient way to cancel a transfer is through the method described above. However, you may request to cancel a recurring or future-dated transfer by calling us at: 1-800-805-4649.

We must receive your phone request three (3) bank business days or more before the transfer is scheduled for processing.

■ **Our Liability for Failure to Cancel or Stop the Transfer**

If you attempt to cancel a transfer in accordance with the above instructions and we do not do so, we will be liable for your actual losses or damages. However, we will not be liable for any special, consequential, incidental or punitive losses, damages, or expenses in connection with this agreement or the service, even if we have knowledge of the possibility of the loss, unless such liability is mandated by law or regulation. We will not be liable for any act, failure to act or delay in acting, if it is caused, in whole or in part, by any circumstance beyond our reasonable control.

■ **Accounts Linked to Your Online Banking Services**

When you first set up your Online ID, we will link all of your eligible Bank accounts. If you open an additional eligible account at a later date, we will link your new account to Online Banking, unless you instruct us not to do so. If you want to limit the accounts linked or the activity level assigned to an account, please call us at 1-800-805-4649, and a representative will discuss the available options with you.

4. OTHER TERMS AND CONDITIONS

■ **Monthly Service Charge**

Except as otherwise provided in this Agreement or your applicable account agreements and schedule of fees, there is no monthly service charge for accessing your linked accounts with the Online Banking service.

- A research fee of \$30 per hour for an inquiry about a transaction that occurred more than 60 days before the date you make the inquiry. This fee will be waived if we determine that an error on our part occurred.

■ **Service Hours**

A bank representative is available from 8:00 a.m. Central time to 5:00p.m. Central time, Monday through Friday, excluding bank holidays. You may also e-mail us at Support@ASBT.Bank

■ **Business Days**

For Online Banking services, our business days are Monday through Friday, excluding bank holidays.

■ **Joint Accounts and Authorized Signers**

When your Online Banking service is linked to one or more joint accounts, we may act on the verbal, written or electronic instructions of any owner or authorized signer. Joint accounts using the same Online ID will be identified as one service.

■ **Changes to Agreement**

We may change this agreement at any time. For example, we may add, delete or amend terms or services. We will notify you of such changes by mail or electronic message as required by law. If you initiate any transfer of funds or bill payment through your Online Banking services after such notification, you indicate your agreement to the change.

■ **Cancellation of Online Banking Services**

Your Online Banking services remain in effect until they are terminated by you or the Bank. You may cancel your service at any time by notifying us of your intent to cancel in writing, through Online Banking secure mail, or by calling Online Banking customer service at 1-800-805-4649. This cancellation applies to your Online Banking services and does not terminate your American State Bank accounts. We recommend that you cancel any scheduled payments prior to notifying us that you are discontinuing the service.

We may terminate your participation in Online Banking services for any reason, including inactivity, at any time. We will try to notify you in advance, but we are not obliged to do so.

If you choose to cancel your Online Banking services, any unprocessed transfers will be canceled. If you use the Online Bill Pay services, a termination of your Online Banking service will also terminate your Online Bill Pay service. Any unprocessed payments using the Online Bill Pay service will be canceled. We recommend that you cancel any scheduled payment prior to notifying us that you are discontinuing the Online Banking service. The Bank will cancel any scheduled payments within two (2) bank business days from the date we receive your request to discontinue the service. If you close your primary checking account, or it's no longer linked to your service, your Online Bill Pay service will end, and any unprocessed payments or transfers will be canceled.

■ **Use of External E-mail Address**

With Online Banking services, we may send messages to your external e-mail address and notify you that responses to your payment inquiries or customer service inquiries are available, or as otherwise described within the Online Banking services. We cannot act on instructions sent by you from an external e-mail address. You should use Online Banking secure mail to send instructions to the Bank. If, for any reason, your external e-mail address changes or becomes disabled, please contact the Bank immediately so that we can continue to provide you with automated messages. You may notify us of any changes to your external e-mail address through the Customer Service tab within your Online Banking service.

■ **Transfers From Savings and Money Market Deposit Accounts**

Federal regulations and the deposit agreement impose limits on the number of certain types of withdrawals and transfers you can make each month from a savings and money market deposit account. You can make no more than a total of six (6) automatic or preauthorized transfers, telephone transfers, or Online Banking transfers or payments from a savings or money market deposit account each monthly statement cycle (each month for savings accounts with a quarterly statement cycle). If you exceed these limits on more than an occasional basis, we are required to convert your account to another type of account and your account may no longer earn interest.

Each transfer or payment through the Online Banking services from your savings or money market deposit account is counted as one of the six limited transfers you are permitted each statement period. We recommend that you not use a savings or money market deposit account as your bill payment account because of these limits on transfers. Please review the deposit agreement for your account for more information.

■ **Contact by Bank or Affiliated Parties**

No Bank employee, nor any company affiliated with the Bank, will contact you via e-mail or phone requesting your Online ID or online passcode. If you are contacted by anyone requesting this information, please contact us immediately.

■ **Initiating Payment Inquiries**

To initiate a payment inquiry, you may use Online Banking services to send the request via secure online e-mail. Or, you may contact the Bank by calling 1-800-805-4649.

■ **Disclosure of Account Information**

We may disclose information to third parties about you or your transactions in the following instances:

- When it is necessary for completing transfers or bill payments, or to investigate or resolve a problem related to a transfer or payment.
- To verify the existence and condition of your account for a third party, such as a credit bureau or merchant.
- To comply with a government agency or court orders, or in connection with fraud prevention or an investigation.
- If you give us your permission.
- With our affiliates as permitted under Federal and applicable state laws.
- On a closed account, if we reasonably believe you have mishandled it.

For more information about our privacy and security practices and a link to our Privacy Policy for Consumers, go to our website at: www.asbt.bank.

■ **Account Statements**

If you elect to receive your monthly statements through this online service, we will report your account transactions on the monthly statements for your linked accounts. A description of each transaction, including whom you paid, and the date and amount of the transaction will appear on your statement.

■ **Reporting Unauthorized or Erroneous Transactions**

If you detect unauthorized or erroneous transactions on any of your accounts, contact us immediately at 1-800-805-4649.

Contact us immediately if you think:

- Your statement or transaction record is wrong;
- You need more information about a transaction listed on your statement;
- An unauthorized person has discovered your Online Banking passcode;
- Someone has transferred or may transfer money from your account without your permission;
- Bill payment transactions have been made without your authorization.

For Consumer Accounts Only: Tell us AT ONCE if you believe your passcode has been lost or stolen, or if you believe that a transaction has occurred on your account without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account plus your maximum overdraft line of credit. If you tell us within 2 business days after you learn of the loss or theft of your passcode, you can lose no more than \$50 if someone used your passcode without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your passcode, and we can prove we could have stopped someone from using your passcode without your permission if you had told us, you could lose as much as \$500.

We must hear from you no later than 60 days after we have sent the FIRST statement on which the problem or error appeared.

If you tell us verbally, we may require you to send us your complaint or question in writing or via secure online e-mail within ten (10) bank business days. Please include the following:

- Your name and account number;
- The date and dollar amount of the transaction in question;
- The name of the Payee if the transaction in question is a payment;
- The transaction number assigned by Online Banking, if available; and
- A description of the transaction about which you are unsure.

Please explain as clearly as you can why you believe there is an error or why you need more information.

We will tell you the results of our investigation within 10 bank business days after we hear from you, and we will promptly correct any error we have made. If we need more time, however, we may take up to 45 days (90 days for new accounts) to investigate your complaint or question. In this case, we will provisionally credit your account within 10 bank business days (20 bank business days for new accounts) for the amount you think is in error, so that you have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing,

and we do not receive your letter in 10 bank business days, we reserve the right not to provisionally credit your account.

If we conclude there was an error, we will send you a written explanation within three (3) bank business days after we complete our investigation. You may request copies of the documents that we used in our investigation.

■ **Limitation of Liability for Online Banking Transactions**

When you give someone your Online Banking ID and passcode, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. If you notify us that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized.

Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

For your protection, sign off after every Online Banking session and close your browser to ensure confidentiality.

■ **Our Liability for Failure to Complete Transactions**

For Consumer Accounts Only [see below for Business Accounts (including Trusts and Sole Proprietors)]: If we do not complete a transaction to or from your account on time, or in the correct amount according to our Agreement with you, we will be liable for your losses or damages. However, we will not be liable for any special, consequential, incidental or punitive losses, damages, or expenses in connection with this agreement or the service, even if we have knowledge of the possibility of the loss, unless such liability is mandated by law or regulation. We will not be liable for any act, failure to act or delay in acting, if it is caused, in whole or in part, by any cause beyond our reasonable control. For instance, we will not be liable:

- If, through no fault of ours, you don't have enough available funds in your account (or available funds under your overdraft protection plan), or credit to cover the transaction or transfer;
- If Online Banking services weren't working properly, and you knew about the malfunction when you started the transaction or transfer;
- If circumstances beyond our control (such as fire or flood) prevented the transaction or transfer, despite reasonable precautions we've taken; or
- If there are postal delays or processing delays by the Payee;

There may be other exceptions not specifically mentioned.

For Business Accounts Only (Including Accounts Owned by Sole Proprietors and Trusts)

■ **Protecting Your Passcode**

You agree that we may send notices and other communications, including passcode confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual. You further agree that the Bank will not be responsible or liable to you in any way if information is intercepted by an unauthorized person, either in transit or at your place of business. You agree to: 1) keep your passcode secure and strictly confidential, providing it only to authorized signers on your account(s); 2) instruct each person to whom you give your passcode that he or she is not to disclose it to any unauthorized person; and 3)

immediately notify us and select a new passcode if you believe your passcode may have become known to an unauthorized person. **The Bank will have no liability to you for any unauthorized payment or transfer made using your passcode that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice.** We may suspend or cancel your passcode even without receiving such notice from you, if we suspect your passcode is being used in an unauthorized or fraudulent manner.

■ **Acknowledgment of Commercially Reasonable Security Procedures**

By using Online Banking, you acknowledge and agree that this Agreement sets forth security procedures for electronic banking transactions that are commercially reasonable. You agree to be bound by instructions, whether authorized or unauthorized, which we implement in compliance with these procedures, unless you have given us prior notice of possible unauthorized use as described above (and we had a reasonable opportunity to act on such notice).

■ **Limitation of Bank's Liability**

If we fail or delay in making a payment or transfer pursuant to your instructions, or if we make a payment or transfer in an erroneous amount that is less than the amount per your instructions, unless otherwise required by law, our liability shall be limited to interest on the amount that we failed to timely pay or transfer, calculated from the date on which the payment or transfer was to be made until the date it was actually made or you canceled the instructions. We may pay such interest either to you or the intended recipient of the payment or transfer, but in no event will we be liable to both parties, and our payment to either party will fully discharge any obligation to the other. If we make a payment or transfer in an erroneous amount that exceeds the amount per your instructions, or if we permit an unauthorized payment or transfer after we have had a reasonable time to act on a notice from you of possible unauthorized use as described above, unless otherwise required by law, our liability will be limited to a refund of the amount erroneously paid or transferred, plus interest thereon from the date of the payment or transfer to the date of the refund, but in no event to exceed 60 days' interest. If we become liable to you for interest compensation under this Agreement or applicable law, such interest shall be calculated based on the average federal funds rate at the Federal Reserve Bank of Kansas City for each day interest is due, computed on the basis of a 360-day year. **Unless otherwise required by law, in no event will the Bank be liable to you for special, indirect or consequential damages including, without limitation, lost profits or attorney's fees, even if we are advised in advance of the possibility of such damages.**
